

Emergency Guardianship Service List and Fee

£75 registration fee + £250 per appointment (excl. VAT)

Emergency guardianship services are provided to students and colleges who do not require regular guardianship services, but need emergency assistance. This could include situations raised due to a medical issue, disciplinary issue or any situation outside the school or college's control such as flight cancellation.

The charge covers a period of 5 days' service where OPDS assume parental responsibility upon confirmation received from parents.

Any additional expenditure such as transport, host family accommodation and other expenses are charged separately.
